

# The Indicator Warehouse

## 16 Live Training Sessions

The objective of the Indicator Warehouse Trading/Training Room is to help you achieve consistent account growth for the long-term. In order to achieve this, Erich will teach the necessary day trading concepts and strategies and how to execute these using the software. You will be able to apply these account growth processes to any market trading futures, forex, or stocks.

Room Hours: 9:30-11:30, Monday to Friday, Eastern Time, United States.

Tuesdays and Thursdays are “teaching days.” Erich will teach 16 Live Training Sessions, roughly following the outline of topics found below. Monday, Wednesday, and Friday will be “**trading days**” – Erich will take live trades in simulation and teach the practical side of trading.

These training sessions will be recorded on video **and posted in the member’s area, so you can** review them later.
